Cosmic Renderings, Limited Print Run of 200

10. Cosmic Energy

11. Cosmic Reflections

12. Cosmic Reverberations

My thoughts as a visual artist often center on worldly things and worldly experiences, but equally often they center on other-worldly things and the larger cosmic importance of my life and art. This series of paintings came into being from bursts of cosmic energy that helped me to better understand myself as a human and cosmic being.

Original size: \$30 (8 x 10)

Mounting: free (11 x 14)
